

Protect your family, your co-workers, and yourself by getting the flu vaccine.

Health and wellness means taking care of the whole person: mind, body, and spirit. Due to busy schedules, we may put our own well-being last.

Once again, the Archdiocese of St. Louis wants to make it easier for you and your loved ones to take care of your health, by making the flu vaccination convenient for you.

An Archdiocesan paid flu vaccine is provided to all active Archdiocesan employees, spouses, and their dependent children. We offer the flu vaccine to your dependent children 9-25 years old, however, ages 9 -17 need to have their parent/guardian attend with them.

No appointments are required. You may receive your flu vaccine at any of the 41 different locations throughout the entire Archdiocese. The employee's proof of employment (ex: copy of current paycheck, employee badge, or health insurance ID card) may be required in order to receive the vaccine.

Mind.

Spirit.

Body.

Archdiocesan Paid Employee Flu Vaccine Program

October 2017

Sponsored by the Archdiocese of St. Louis and Your Flu Nurse, Inc.

Some people should not get the flu vaccine. If you have any severe, life-threatening allergies, if you ever had Guillain-Barre Syndrome, or if you are not feeling well, please contact your physician. With any medicine, including vaccines, there is a chance of reactions. These are usually mild and go away on their own, but serious reactions are also possible.
