

**351 St Francis of Assisi Portage des Sioux Parish boundaries  
(Excluding the mission of Immaculate Conception – West Alton)**

Starting at the point where the eastern property line of the Union Electric Sioux Plant if extended to the north would meet the Mississippi River;

South from this point on an imaginary line to the Missouri River;

West and South along the Missouri River to the point on the river where the high wire (steel tower line) from Florissant crosses the river (directly south of the end of Mullanphy Road);

Northwest on an imaginary line following the high wire as it crosses the intersection of Highway 94 and Church Street and crosses the Lake Center Marina to the Mississippi River;

East along the Mississippi River until it reaches the point where the eastern property line of the Union Electric Sioux Plant if extended north would meet the river.

**Immaculate Conception Mission West Alton boundaries**

Starting at the point where the eastern property line of the Union Electric Sioux Plant if extended to the north would meet the Mississippi River;

South from this point on an imaginary line to the Missouri River;

East and South along the Missouri River to the intersection with the Mississippi River;

North and West on the Mississippi River to the point where the eastern property line of the Union Electric Sioux Plant if extended to the north would meet the Mississippi River.

Effective May 2007 (no change from previous)
