

STEWARDSHIP

Use Parish Signs to Proclaim Stewardship

It is a powerful reminder when Catholics see a stewardship message wherever they drive throughout the Archdiocese. Schedule a stewardship message on your outdoor parish sign for Stewardship Sunday and throughout your parish stewardship season. Here are some ideas:

For Release of Your Annual Stewardship Report

- Don't Miss Our Annual Parish Stewardship Report at all Masses.
Thank you for your continued Generosity!

For Stewardship Awareness Sunday - September 21 and 22 and Other Parish Stewardship Weekends

- A steward is the servant of all!
- Stewardship is an invitation to deepen our friendship with God and each other.
- What if you woke up today with only the things you thanked God for yesterday?
- Start each day by thanking God for all he has given you.
- Live with joy and gratitude for the blessings you have received.
- God is calling you right now, today, to live a life of gratitude.
- Stewardship begins in the heart, developing a relationship with Jesus.
- Help Build God's Church – all are welcome!
- Generosity means sharing all your gifts, especially the one that means the most to you.
- Lord, how would you like me to be generous with the gifts you have given me?
- Lord, I am grateful for the generosity of past generations. Help me continue this generosity for future generations.
- Lord, when you call us to give, it is an answer to someone else's prayers.
- Lord, help me develop a grateful and generous heart.
